Finding Graphics & Images

Tech Academy Summer 2015

Video

Image Sites

- openclipart.org
  - public domain images
  - searchable
  - better to download a large image instead of the thumbnail
  - even larger image by clicking on PNG

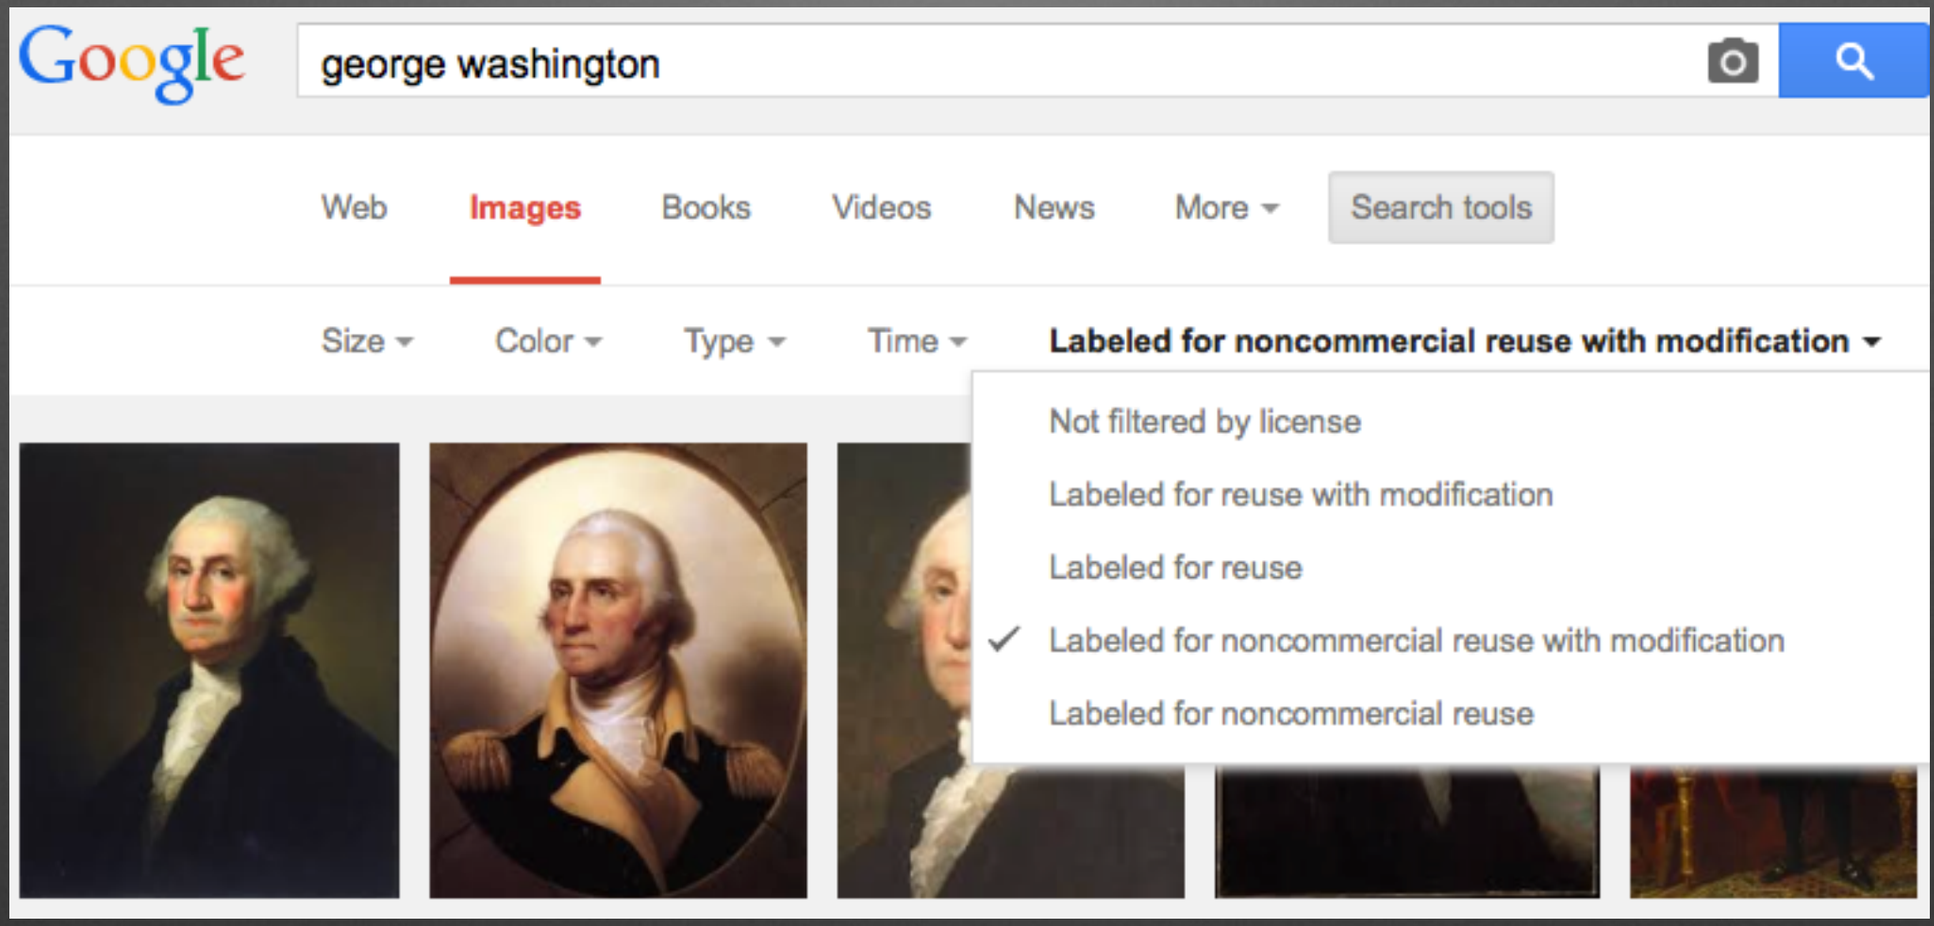
- pixabay.com
  - clipart and photographs
  - searchable-can filter results
  - images at top are from shutterstock-ignore
  - select a size on right

- thenounproject.com
  - icons and symbols
  - searchable— must log in to download
  - must give attribution

- pics4learning.com
  - a safe, free image library for education
  - Teachers and students can use the copyright-friendly photos & images for classrooms, multimedia projects, websites, videos, portfolios, or any projects in an educational setting.

- creativecommons
  - find images you can modify, adapt, build upon
  - includes music, video, and other media
  - always give credit where possible

Google Search



- Google Search—Images—Search Tools—Usage Rights—Labeled for noncommercial reuse with modification
