

# InfoPics, iPads and More

*Lori Rook*

*Tech Academy Summer 2015*

**Plymouth, Massachusetts**

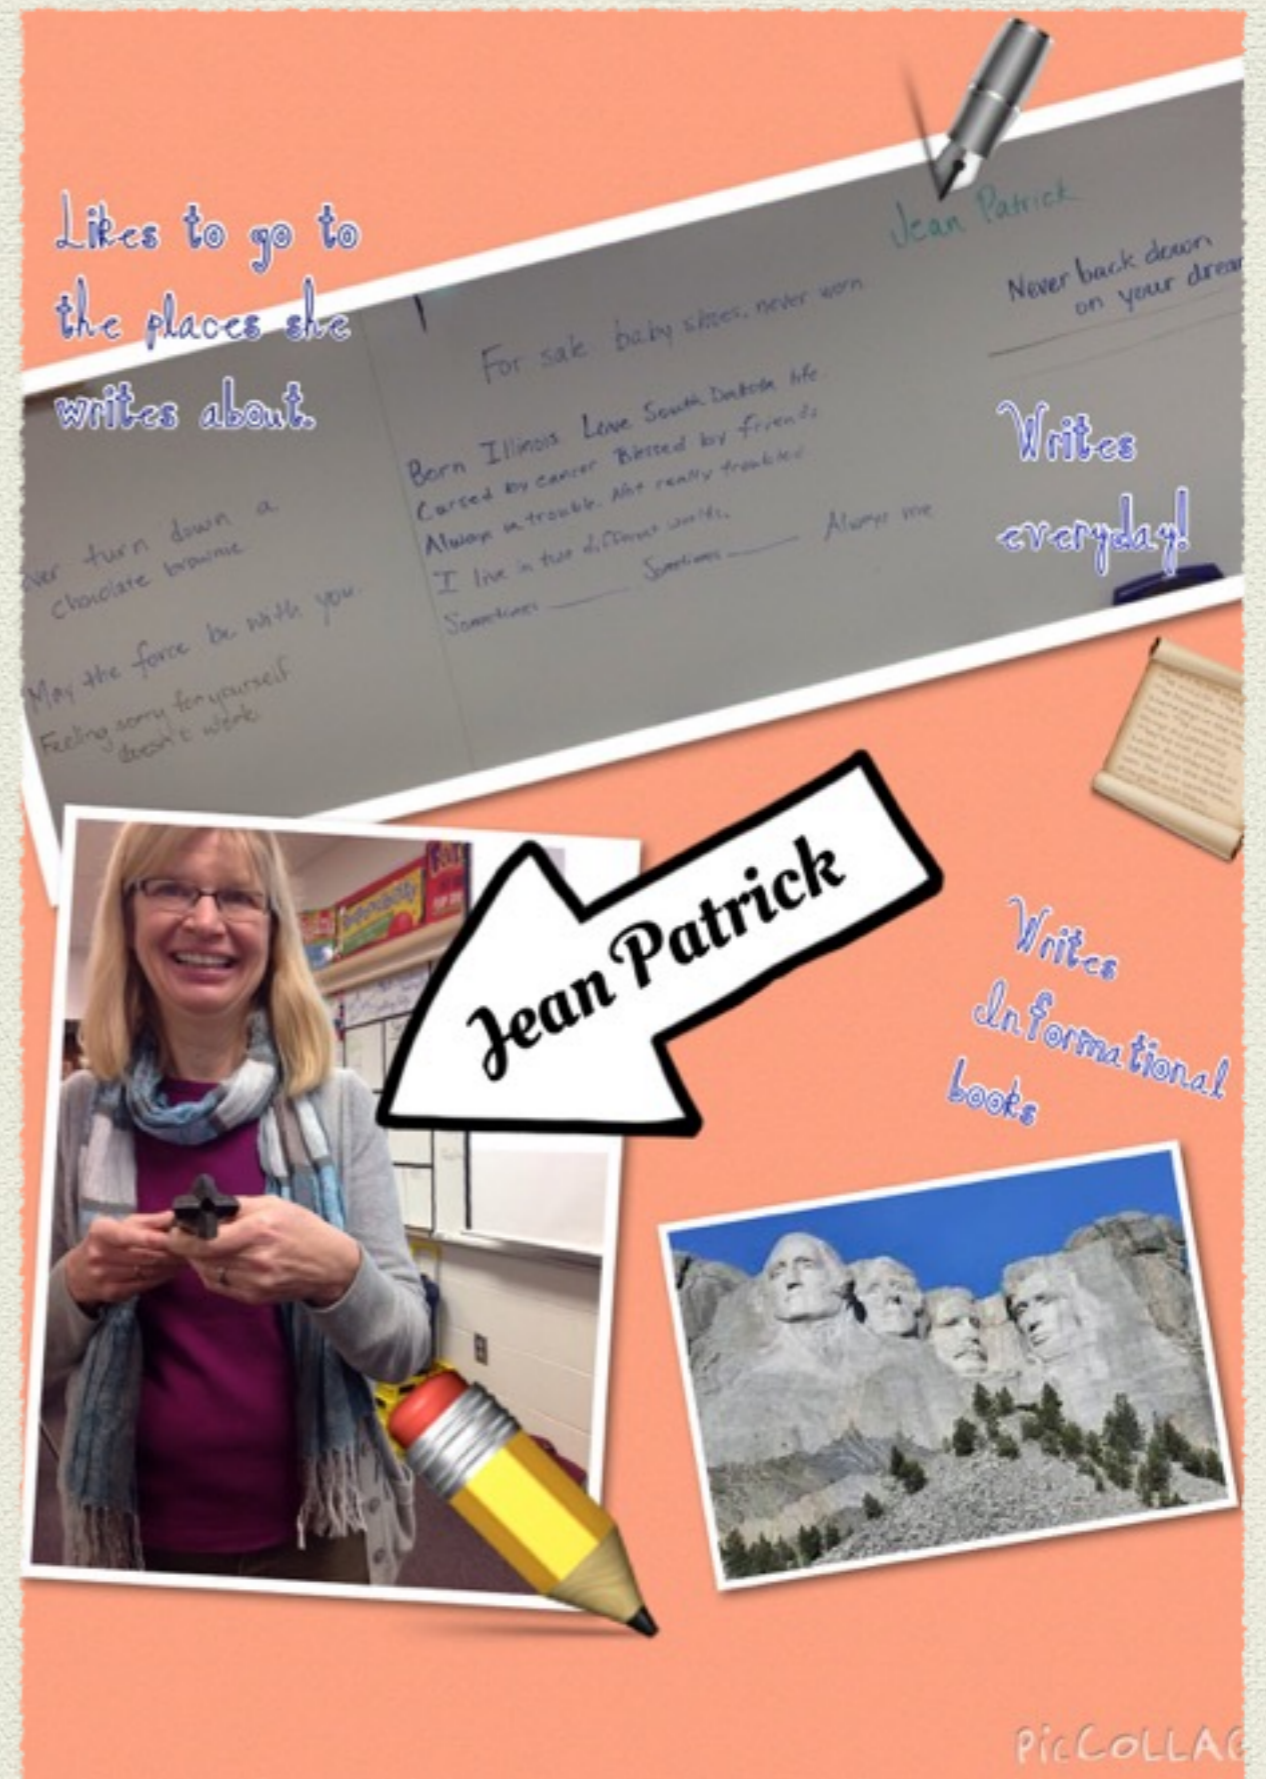

**1/2 died in the  
first 6 months**

**Sailed on the Mayflower**

**Signed a compact.**

**We remember a photo more  
easily than words.**

Pictures grab  
our attention  
faster  
than text.

If you don't work  
you don't eat.

Searched for gold

Tobacco=cash crop

Combine words with a picture to  
learn information in an appealing way.

# Why?

The creator gets to process their learning & use it to create something memorable.

**What is an InfoPic?**

A photo with text layered on top that is designed to communicate a message.

# When creating an InfoPic--

◆ **You LISTEN!**

◆ **You READ!**

◆ **You DECIDE what is IMPORTANT!**

# Apps to Use--

PowerPoint  
Google Slides  
[photovisi.com](http://photovisi.com)

**Can be created on:**

**SmartPhones**

**iPads/iPods**

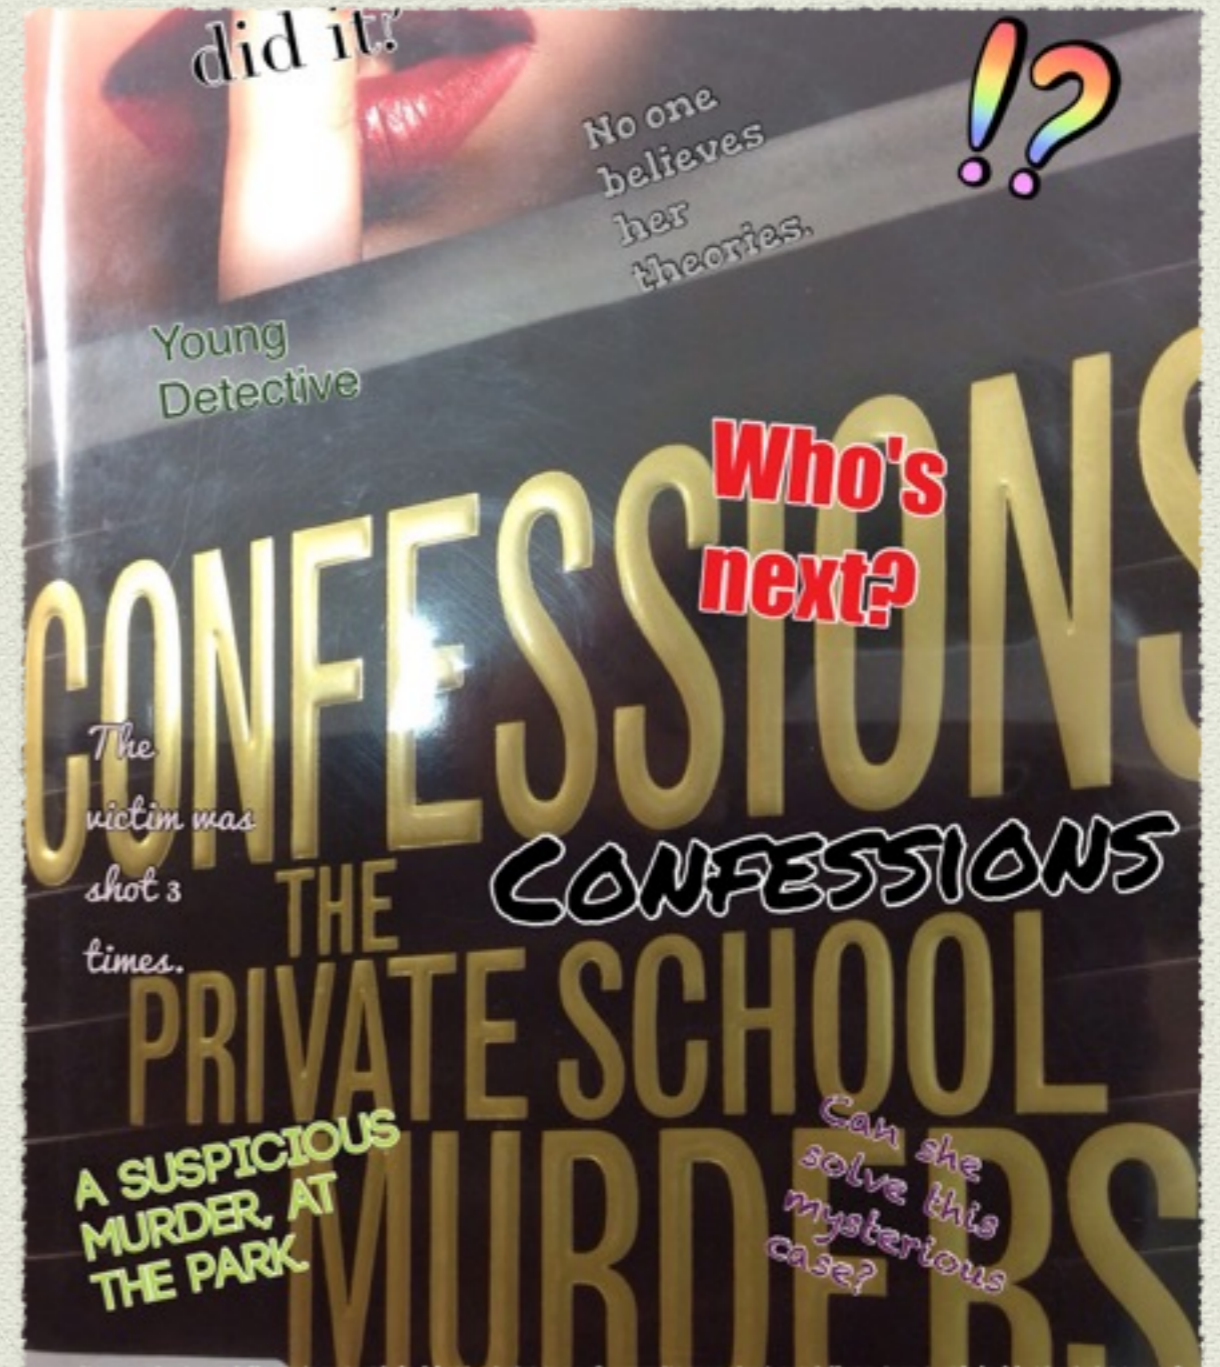

**ChromeBooks**

**Laptops**

**Desktops**

# Tips--

- ◆ Don't get too close to the image. Leave space for text.
- ◆ Snap a variety of shots if you can, so you have options for text.
- ◆ Consider a black & white photo with colored text for impact.
- ◆ Can take 2 minutes or 2 hours!

**and more...**

# TRADING CARDS

Fold

Name: **Gracie**

Sam

## Background

### Source

Ways to Live Forever by: Sally Nicholls

### Setting

During school year mostly at his house

## Description

### Appearance and Personality

He is 11 years old. And he has leukemia, and he has a friend that doesn't like school.

### Interesting Detail

I think his leukemia is interesting because I watched movie about a girl who has leukemia and he handles it different.

By: Gracie

## Development

### Problem

That his dad wants him to have one more chemotherapy but his doctor doesn't think it will work.

### Outcome

If his dad talks the doctor into it he will just go for it.

## Memorable Moments

### Quote

How do you know that you've died?

### Action

He gets a lot of nose bleeds and gets the flu a lot.

## Personal Connection

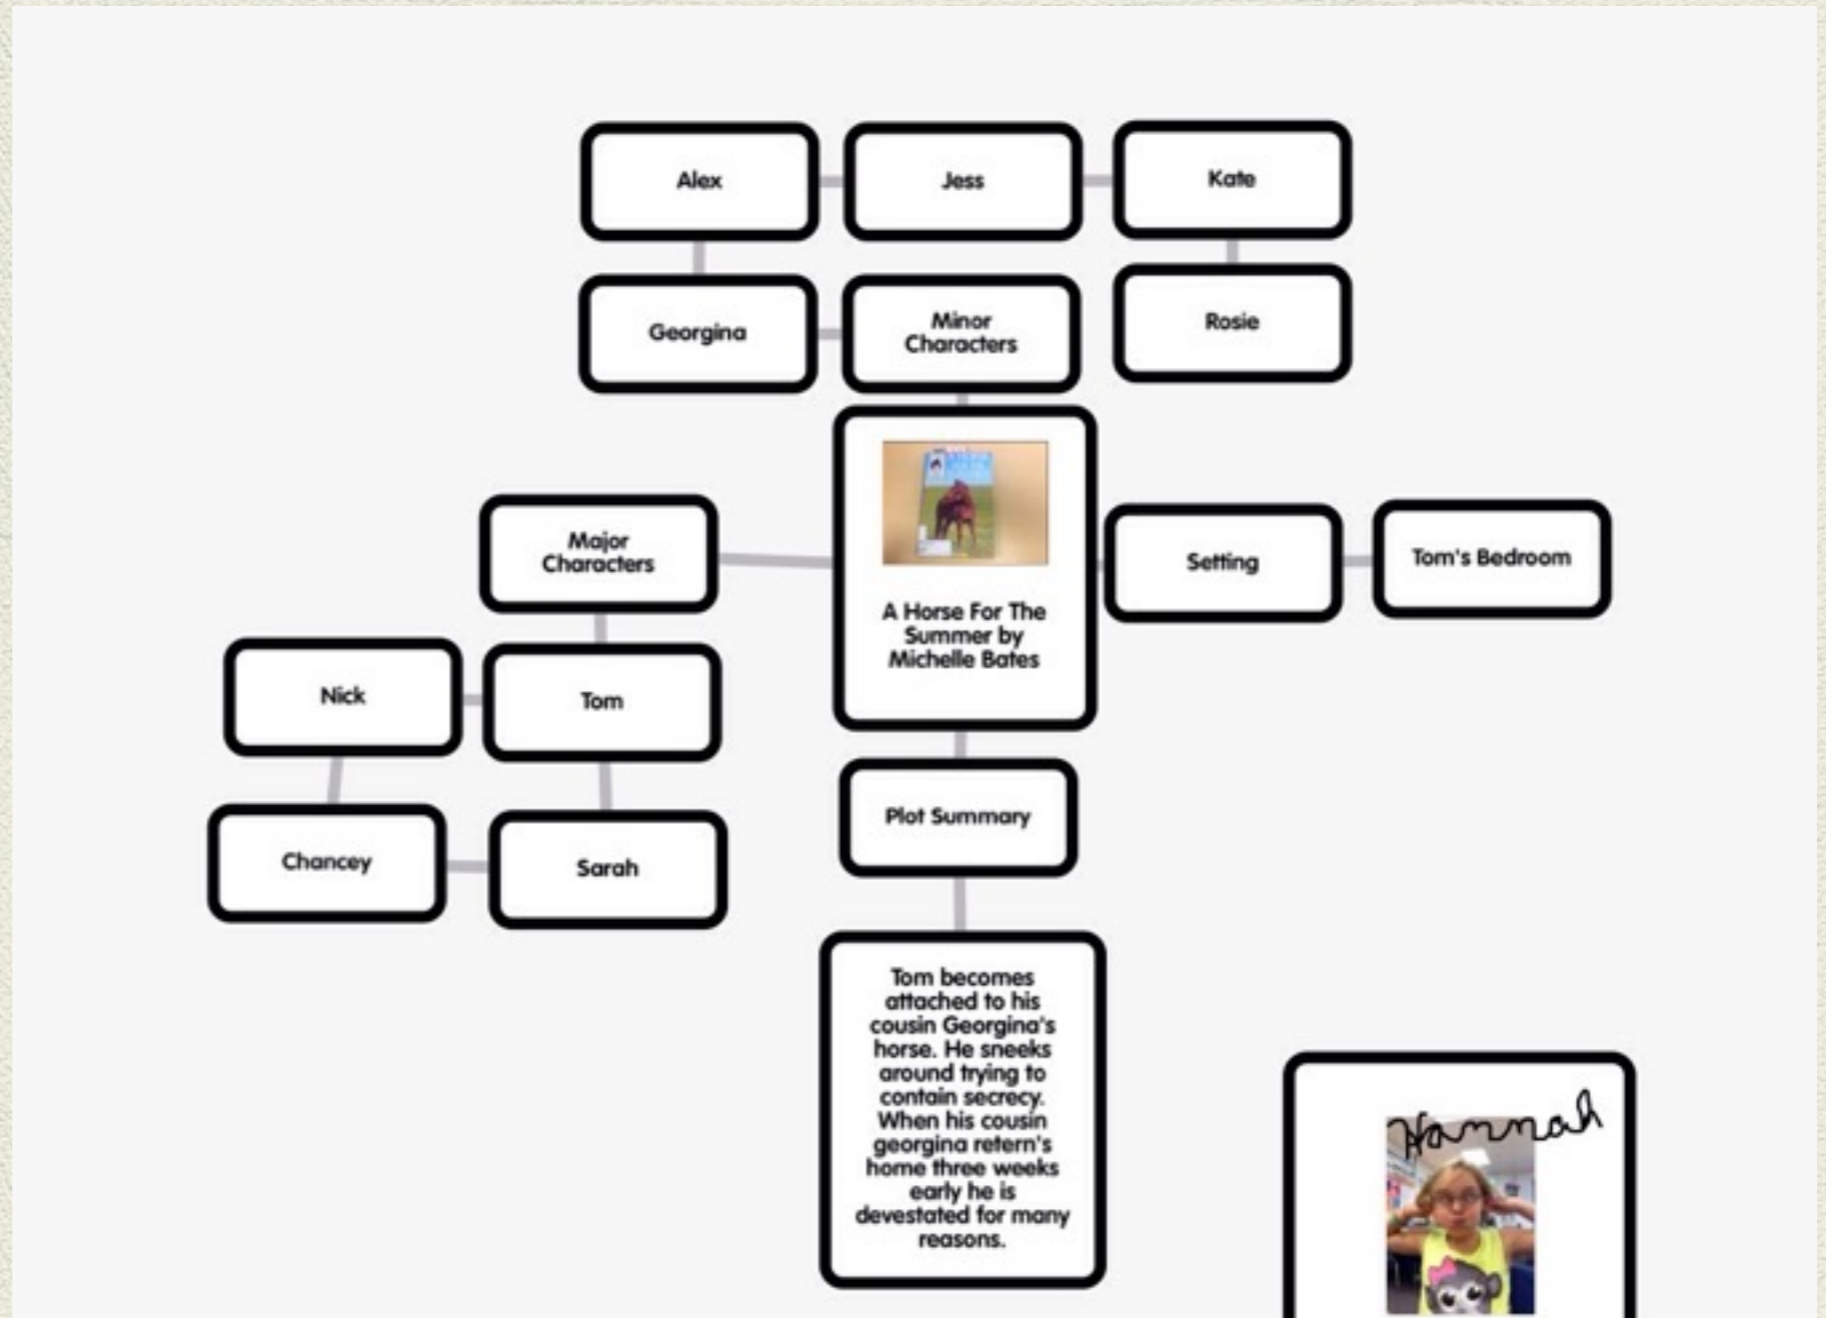

### Impression

I like that Sam really is handling his chemotherapy very well.

### Connection

He reminds me of my mom she goes with stuff very well even with family fights even.

Clamor- demand or ask for loudly

The students clamored for popcorn.

Pandemonium- chaos or confusion

There was pandemonium when the spaceship landed on the playground.

The towering building touched the sky.

Page 1

This diagram is a mind map on a grid background. At the center is a circular bubble containing the text "The students clamored for popcorn." in pink. Three lines radiate from this central bubble to three rectangular boxes: "Clamor- demand or ask for loudly" (top left), "Pandemonium- chaos or confusion" (top right), and "There was pandemonium when the spaceship landed on the playground." (middle right). Below the central bubble is a rectangular image of a baby's face. To the right of the baby image is a circular scribble of colorful lines. Below the scribble is a rectangular image of a tall, thin building. A line connects this building image to a bubble containing the text "The towering building touched the sky." The top of the screen shows a toolbar with various drawing and editing tools.

!The eruption instantly killed at least 12,000 people.  
!Family's suffering was an event that took place a year earlier and 10,000 miles.

The Volcano That Changed The World

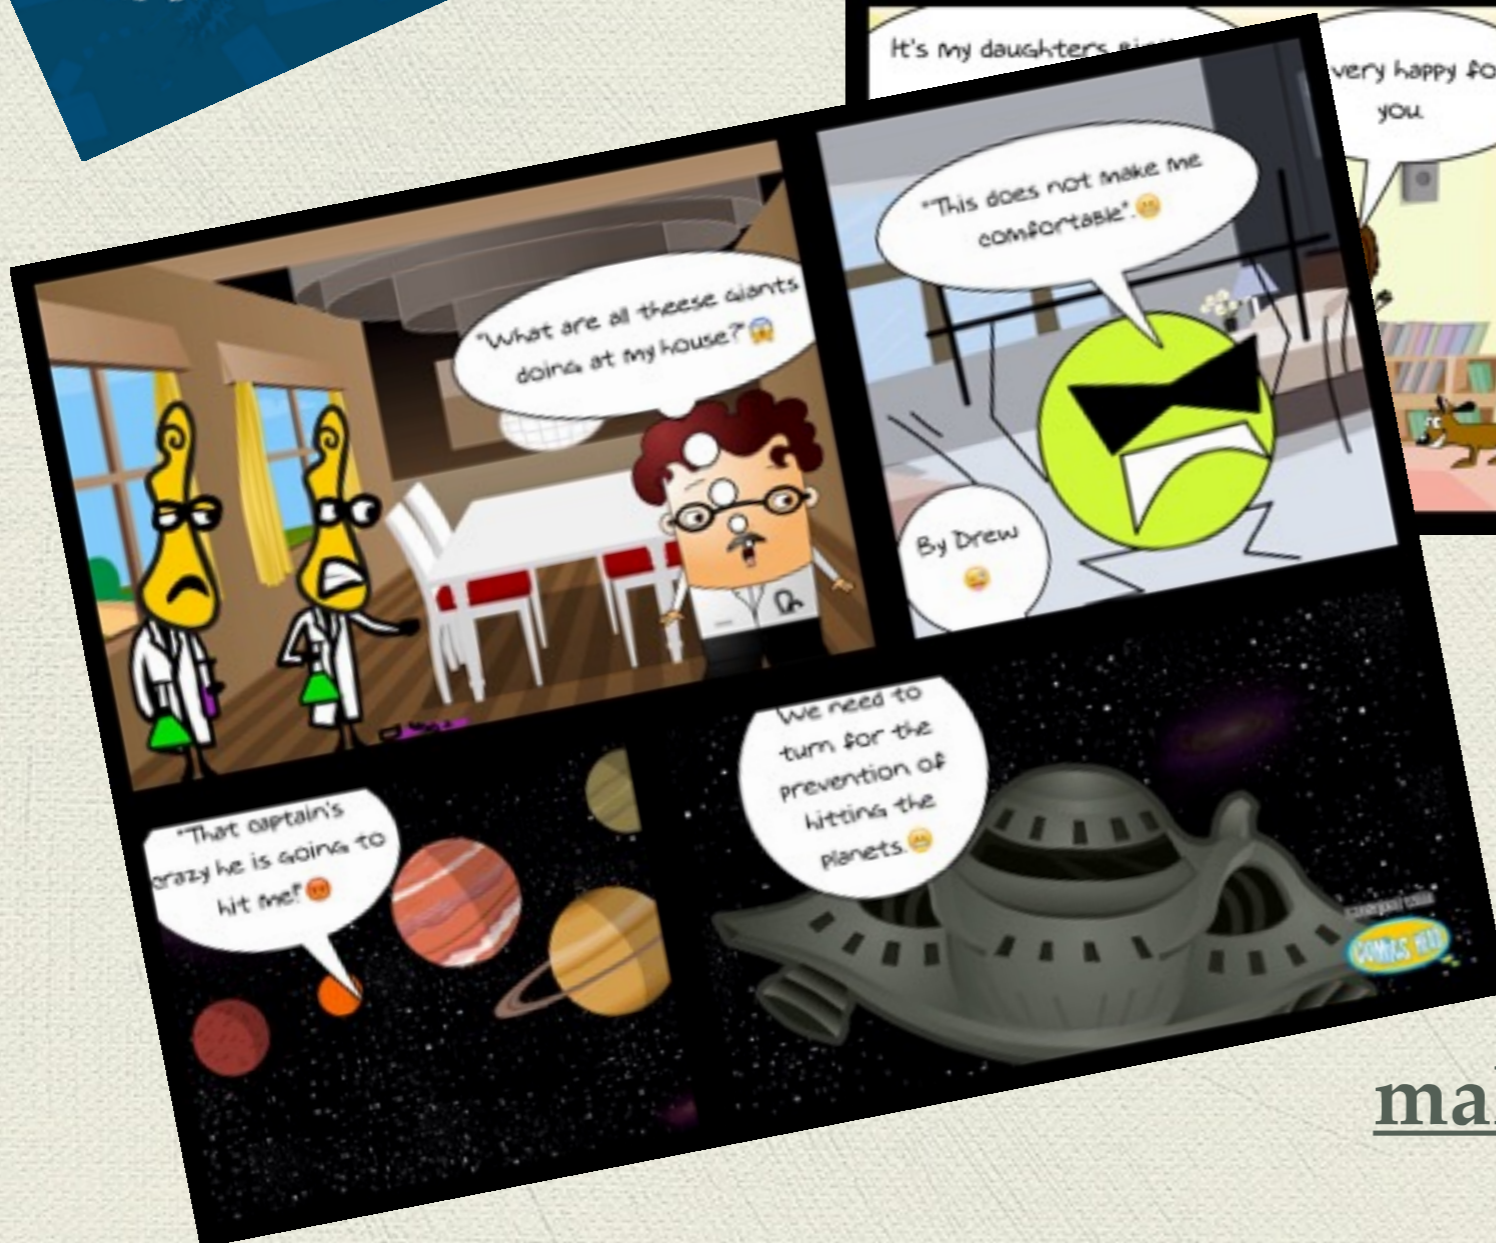

?why did that volcano erupt?  
?How many times did that mountain erupt?

\*A wave of flames and gases swept down the mountain at speed of 400 miles per hour.  
\*It is now, nearly 200 years later, that scientists have finally solved the mystery.

Page 1

This diagram is a mind map on a grid background. At the center is a rectangular image of a volcano erupting with the text "The Volcano That Changed The World" overlaid. Three lines radiate from this central image to three rectangular boxes: a green box at the top containing " !The eruption instantly killed at least 12,000 people. !Family's suffering was an event that took place a year earlier and 10,000 miles.", a green box at the bottom right containing "?why did that volcano erupt? ?How many times did that mountain erupt?", and a green box at the bottom left containing "\*A wave of flames and gases swept down the mountain at speed of 400 miles per hour. \*It is now, nearly 200 years later, that scientists have finally solved the mystery." The top of the screen shows a toolbar with various drawing and editing tools. On the left side, there are icons for a search bar, a play button, and a person walking with a bag.
